

POWERED STAIR CLIMBER FOR PEOPLE TR140C

| SAFE | COMFORTABLE | PORTABLE |

POWERED STAIR CLIMBER FOR PEOPLE

TR140C

FEATURES

- Suitable For People Under 140KG
- Ergonomic Design With Multiple Safety Protection
- With Light-weighted And Anti-corrosion Aluminium Alloy Construction
- Easy To Operate Even For The Elderly
- Widely Used In Multiple Occasions Including Upstairs And Downstairs, Flat Surface, Both Indoors And Outdoors
- Low Noise Motor Design With Non-interference To Others
- Powered By Plug & Play Portable Rechargeable Lithium Battery
- It Is Portable, Fold-able And Easy To Carry

TECHNICAL DATA

Maximum Loading Capacity	140KG
Net Weight	37 KG
Battery Capacity	80-113 Floors
Low Speed	12 Steps/Min
High Speed	17 Steps/Min
Motor	DC Motor 48V 400W
Noise	<70dB
Protection Level	IP54
Step Requirement	Height<21CM Width>25CM

FUNCTIONAL DESIGN BASED ON SAFETY AND RELIABILITY

Self-reset Operation Button To Avoid Wrong Operation

Inching Control Button, Stop At Any Time

Malfunction Protection (Overload, Over-voltage, Under-voltage)

Start Angle: 35°-55°
Angle Range After Start: 25°-60°
P.S: It Won't Work If Not Within Working Angle Range.

Identify The Safety Angle Automatically

Edge Brake Via Mechanical Sensor

POWERED STAIR CLIMBER FOR PEOPLE

HUMANIZED DESIGN

APPEARANCE DESIGN BASED ON PORTABILITY

With Auxiliary Handle to Move On Flat Surface

With Detachable Chassis And Retractable Tail Box

Retractable Armrest

Shock Absorption Spherical Pneumatic Tires

Silent Medical Grade Universal Wheel

DIMENSION

ACCESSORIES

Lithium Battery

Battery Capacity: 48V 10AH

Battery Weight: 3.2KG

Charger

Input: 100V-240V

Output: 54.6V 2A

POWERED STAIR CLIMBER FOR PEOPLE

APPLICATIONS

Make Your Trip Safer, More Comfortable And Convenient

SUITABLE OCCASIONS:

- Air Port
- Shopping Mall
- Subway
- Hospital
- Residential Area
- Nursing Home

Ease Your Way To Anywhere!
